Each morning, camp staff fills the wash basins outside your tents with hot water for washing or shaving. Lighting is by hurricane lamp but guests should bring their own torch or headlight. The romantic light thrown by candelabra makes a bush dinner, surrounded by the sounds of evening and a million stars, a truly special African occasion.

Games drives are in open 4x4 Toyota Land Cruisers. Walking to explore and learn about the area, with your armed Professional Guide it is the best way to experience the incredible diversity of animals, insects and flora at Mana Pools. Mana Pools can provide some amazing experiences, if guests are looking for close encounters with game. Canoeing is done in 5.5m (18ft) Canadian style canoes, fitted with comfortable seats and cushions. Fishing is also a popular activity from Camp Zambezi particularly towards the end of the dry season – Sept/Oct – when the tiger fish are biting (equipment not supplied).
