DAY 1

Your adventure starts this morning, with the scheduled Air Botswana flight from Johannesburg to Maun on BP212 departing at 10:10 AM to arrive in Maun at 11:40 AM. At Maun airport you will be met by a representative of Delta Air who will fly you by light aircraft to the Deception Valley airstrip where you will be met and transferred to Deception Valley Lodge. Interact with the San (Bushmen) of the Kalahari on one of the Cultural walks at Deception Valley Lodge. Here you can experience the vastness of the Kalahari while enjoying some prolific bird life or do some star gazing at night.

The Lodge accommodates up to 16 guests and is private and restful. Attention has been given to every detail ensuring a completely different experience, in the arid Kalahari – stretching for miles. Each unit stands separately, on stilts connected to the main lodge by wooden walkways.

The lodge has an ethnic African theme and was built to fit into the surrounding bush without altering, damaging or detracting from its ambience and colour. An inviting swimming pool situated close to the main complex, to enhance the enjoyment of our guests, as well as a Boma for night time meals, whilst gazing across a clear night sky with its abundance of stars and listen to the enthralling night calls of the wild completes the main complex area.² Night's accommodation in a luxury chalet at Deception Valley Lodge, including all meals, teas/coffees, all game activities, all alcoholic and non-alcoholic drinks

DAY 2

An early morning wake-up call, some coffee and cereals, and then an excursion designed to suit your interests. After brunch, and rest during the heat of the day, enjoy an afternoon/early evening excursion, before returning to the Lodge for dinner.

What makes Deception Valley Lodge unique is the rare opportunity to explore this remarkable environment with San (Bushmen) Guides. Explore the bush on foot, learning the hunting and survival skills, the culture and crafts of a People, who over the centuries have adapted their lives to survive in an inhospitable environment.

Other activities at Deception Valley Lodge include afternoon and night drives in custom-built game viewing vehicles with the chance to see lion, cheetah, leopard, giraffe, kudu and if lucky, the elusive brown hyena. The night drives in particular will reveal a fascinating world of nocturnal species. Deception Valley is also a bird lover's paradise.

DAY 3

After an early morning game activity and brunch, you will be flown by light aircraft to the Kwara airstrip where you will be met and transferred to Little Kwara Camp. The camp is situated on a treed Falcon on the edge of the permanent waters of the world-renowned Okavango Delta. The concession shares a common boundary with the Moremi Game Reserve. This is a new Camp and accommodates only 8 guests.

Little Kwara Camp will offer a number of activities: year-round mekoro trips, boat cruises, Falcon walks as well as game drives both off-road and at night. Fishing is also offered on request, using normal reel and rod fishing – flying fishing enthusiasts need to bring their own equipment.

DAY 4

Your day starts with an early morning wake-up call, coffee, rusks, and the most delicious porridge followed by your activity of choice. You get back to camp at around 10 am, depending on the animal sightings, and after a full English breakfast; your day is free to relax. At around 4 PM you will have high tea, followed by an afternoon activity and dinner before retiring for the night, amidst the wonderful sounds of the Okavango Delta.

DAY 5

Today you continue, by light aircraft, to Lagoon Camp, situated on the shady banks of the Kwando River, in northern Botswana, among tall and ancient African Ebony and Marula trees, under the watchful gaze of the resident hippos. Lagoon Camp accommodates only 16 guests in 8 twin-bedded luxury safari-style tents. Each tent looks out over the water and has private en-suite facilities, including 24 hour hot and cold running water, open-air showers, flush toilets, and modern amenities.
