The Camp is situated on an elephant route between Namibia and Zimbabwe.

The lodge is of the classic camp ilk and offers you the joy of great game, the thrill of sleeping under canvas with a high standard of comfort and personalised service.

Open guest areas, a secluded hide, refreshing swimming pool and 20 'meru styled' tents complete the lodge which lies beneath a forest of sturdy knob thorns. It is within these tree tops that the largest colony of white back vultures occurs. The lodge is unique for several reasons and

amongst these is the fact that it is situated within a game rich reserve affording the guests wonderful sightings between open Landrover safaris into the Chobe National Park and boat cruises along the Chobe River

DAY 4:

Daily Activities include boat cruises along the beautiful Chobe River in the Chobe National Park, and Game drives in search of game. Two guided activities per day are included during your stay at Elephant Valley Lodge.

DAY 5:

After an early morning activity and breakfast, a lodge representative will transfer you to Kasane Airport (30 minute's drive), where you will be met by the pilot, who will charter you, in a light aircraft, into Pom Pom Camp, 80 minutes away, across the Chobe National Park and the Okavango Delta.

On arrival at the Pom Pom airstrip you will be met by the Guide who will be looking after you during your stay there.

Pom Pom Camp is located on Pom Pom Falcon, in a private concession situated in the heart of the Okavango Delta, and on the headwaters of the Xudum River system. The area lies on the western boundary of the Moremi Game Reserve and offers superb Okavango scenery and a true Okavango wilderness experience. This is a safari camp built and designed in the style of safari camps of old, overlooking a scenic lagoon and under a grove of shady trees. This is a camp for the safari traditionalist.

Pom Pom has nine large walk-in tents (18 beds), in true traditional safari style, all with full en-suite facilities, flush toilets and semi open showers, – for a true bush experience! The main building is attractively designed and constructed of thatch and canvas and comprises lounge, dining, and bar area, as well as a gift shop and the Boma pool.

There are battery-operated lights in the rooms, and battery charging can be done in the main building. At night, paraffin lamps give a wonderfully warm atmosphere

Depending on your arrival time in camp, a lunch will be served. You will then have time for a little relaxation before your afternoon / evening activity. Following the afternoon tea, you will depart on a game drive in an open 4x4 Land Cruiser, stopping for a break and a traditional Botswana "Sun downer". Hippo and crocodile are found in the deeper lagoons in the area. Birding enthusiasts will enjoy sighting Pel's Fishing Owl, African Fish Eagle, Giant Eagle Owl and White Backed Vultures.

You will return to camp in the dark, using a spotlight to hunt for nocturnal species. Night drives provide an opportunity to see nocturnal sightings of leopard, spring hares, genets and other small cat species if you are very lucky.

After the drive, you will enjoy an outdoor dinner overlooking the Okavango, and share the evening with the others in the group around the campfire.

DAY 6-7:

After a light breakfast of cereals, yoghurt, muffins, fresh fruit, and a bracing cup of coffee or tea, you will explore the delta in the traditional way. Poled silently, the mokoro glides gently through the waterways, parting dense reed beds with perfect stealth so that animals and birds are caught totally unaware. The focus is on finding tiny reed frogs, jacana eggs, looking at flowers and the amazing variety of bird-life that is the essence of the Okavango Delta. You will stop on an Falcon for a Tea Break and a short nature walk, before returning to camp for a hearty brunch. Like most of the animals, you will have siesta time through the heat of the day, so bring your swimsuits and enjoy a refreshing dip in the pool.

Morning activities are mokoro excursions, early game drives, or nature walks. Afternoon game drives start after tea, and return to camp after dark. Seasonal fishing and motorboat excursions are also offered depending on water levels.

DAY 8:

After an early morning activity of your choice and brunch, you will be air chartered from Pom Pom Camp to Maun Airport (20 minutes), in time to connect with Air Botswana, flight BP211, departing Maun at 15h00, and arriving back in Johannesburg at 16h40.

After clearing customs, a representative of The Safari Club will meet you in the Arrivals Hall.

Situated just 7 minutes from the Airport, the privately owned Safari Club, with luxury en-suite bedrooms, offers a personal, quiet retreat, with a swimming pool, lovely garden, along with beautifully decorated accommodation and a copy bar.
