Upon arrival at Maun airport you will be collected by Delta Rain Safaris.

Our safari starts in the tourist town of Maun, you have a welcome briefing, before you head out on your adventure. The Okavango Delta is recently designated as a UNESCO World Heritage Site.

In the afternoon we arrive at our mobile tented camp situated in the heart of the Okavango. Dependent on water levels we may travel via Mokoro (Traditional Dug-Out Canoe) or drive into the camp. On arrival you will meet the local staff who will be your host during your stay. A brief introduction to the camp will show your dome tent with twin beds and a bush en-suite bathroom – long drop toilet and a bucket shower. Relax in the mess tent with a cold drink or take a paddle in the lagoon in a canoe. The activities at the camp include Mokoro trails and guided walking.

We will spend a relaxing 2 nights at this camp. Included: Transfer, B, L, D and Accommodation

DAY 2: OKAVANGO DELTA

Most days at camp follow a similar pattern; the clatter of the Water Walla's bucket lets you know your shower is ready. Up before the sun, you set out on foot, to explore the area once in search of game. Meet at the mess for breakfast then take a Mokoro to explore further. Take time to catch up on your reading or view the birdlife from the mess tent.

Lunch is normally served at around 13h00. After lunch, time is yours to relax or have a go at poling the mokoro's or ask the guides to find a swim spot for you before the afternoon outing.

At about 3pm you will be offered afternoon tea, before the activities commence. Return to camp in the late afternoon for a sundowner while your dinner is being prepared. The clatter of the water bucket lets you know your shower is getting ready.

During the evening your hosts can be encouraged to share stories around the fire of their lives and lands. Be prepared if your Botswana hosts put on a song for you they will be expect on. Included: B, L, D and Accommodation
