ROUTE & ITINERARY

DAY 1-2: JOHANNESBURG - KAPAMA PRIVATE GAME RESERVE

Start your South African safari with a flight from Johannesburg O.R. Tambo International Airport to Eastgate Airport in Hoedspruit, Limpopo. A guided road transfer from the airport will deliver you to Camp Jabulani.

With a resident elephant herd in the private game reserve, elephant encounters are an inevitable part of this African safari. The history of the elephants, rehabilitation of Jabulani the elephant and the breeding project will be of great interest. You will attend a short briefing and from there the excitement begins. Feeding times and putting the elephants in their stables for the night makes for a real special experience.

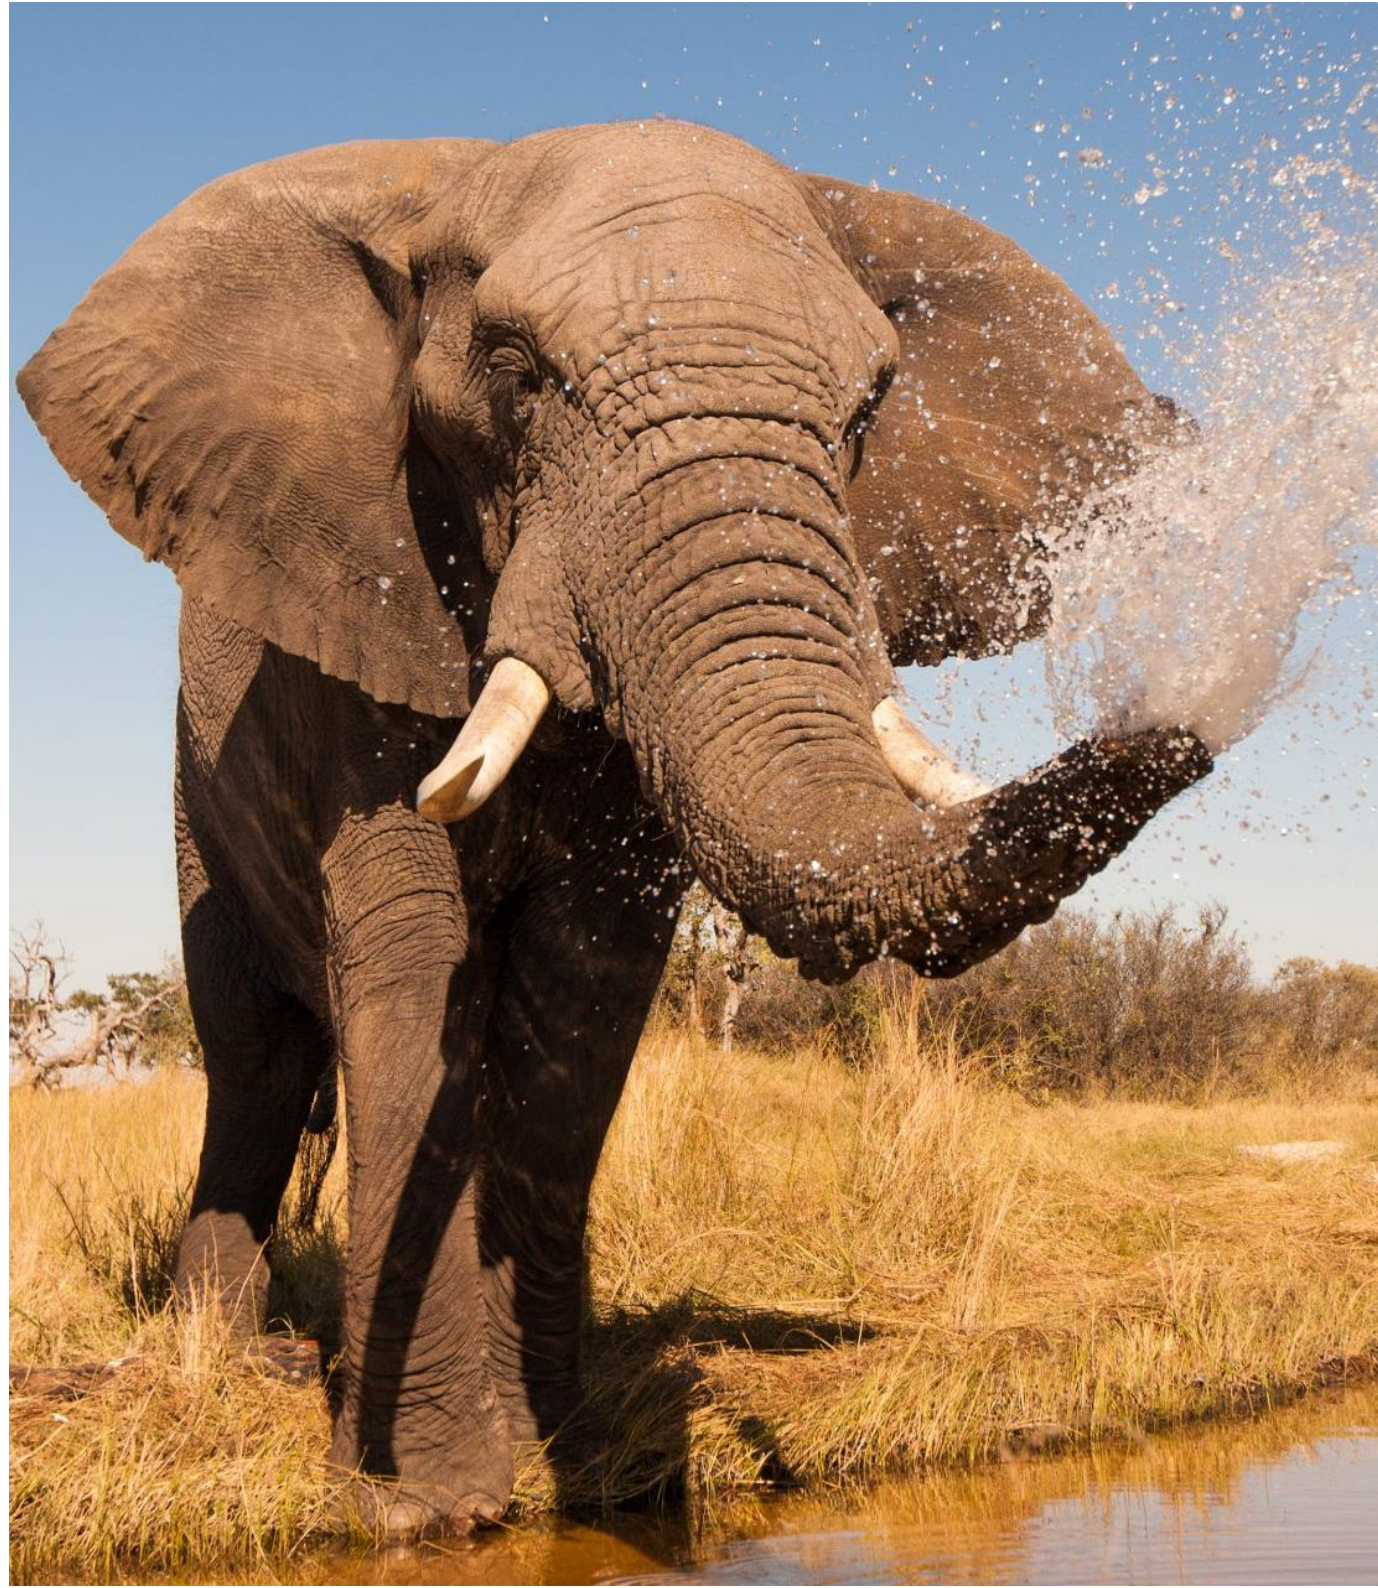

Elephant encounters will be the highlight of your Hoedspruit vacation at this Kapama safari lodge. Go on elephant safaris through the wilderness or watch them as they frolic in the water of a nearby waterhole. Families of elephants enjoy the refreshing water during afternoon swims and express their satisfaction by spraying water from their trunks.

During the search for the Big Five, rangers will introduce you to an abundance of other wildlife species such as giraffe, impala, blue wildebeest, kudu and the eerie spotted hyena. Game drives to view the wildlife in the bush can be arranged any time of the day, but early morning and late afternoon drives are recommended to avoid the heat.

Visit the Hoedspruit Endangered Species Centre during a day trip where you will get to experience a day in the life of a conservationist. Assist the staff at the private research and breeding centre, and you will receive a Pioneer for Change certificate.

An unforgettable memory will be formed during an optional hot air balloon safari over the private game reserve. Other optional activities to try out during your stay include clay pigeon shooting, elephant tracking, cultural days and microlight flights. Combine these activities and you will experience the ideal African safari during a single stay in the Kapama Private Game Reserve.

The lodge has a spa area where optional wellness treatments can be enjoyed after adventurous days in the bush. After enjoying a pampering session by one of the professional spa staff members, prepare for a freshly prepared dinner. Dining during your South Africa vacation will take place at the Hoedspruit safari lodge, and will serve a menu of traditional as well as international culinary delights and a selection of South African wines.

DAY 2-3: KAPAMA PRIVATE GAME RESERVE - JOHANNESBURG
