ROUTE & ITINERARY

DAY 1: LIVINGSTONE AIRPORT

Upon arrival at Livingstone Airport, now known as Harry Mwanga Nkumbula International Airport, you will be welcomed to Zambia by a representative who will escort you on a road transfer to Sanctuary Sussi & Chuma, named after two of explorer David Livingstone's friends. As you enter the Mosi-Oa-Tunya National Park, absorb the natural sights, sounds and smells of the bush. The lodge is nestled on a bend in the Zambezi River, affording spectacular views of the famous river and its lush vegetation.

Settle into your tree-house suite and enjoy the modern amenities provided by this Zambia safari lodge. From your private deck you have exceptional views of the Zambezi River and elephants frolicking in the water is not an uncommon sight. After you have had some time to relax, enjoy your first game drive in an open 4x4 safari vehicle with a trained safari guide.

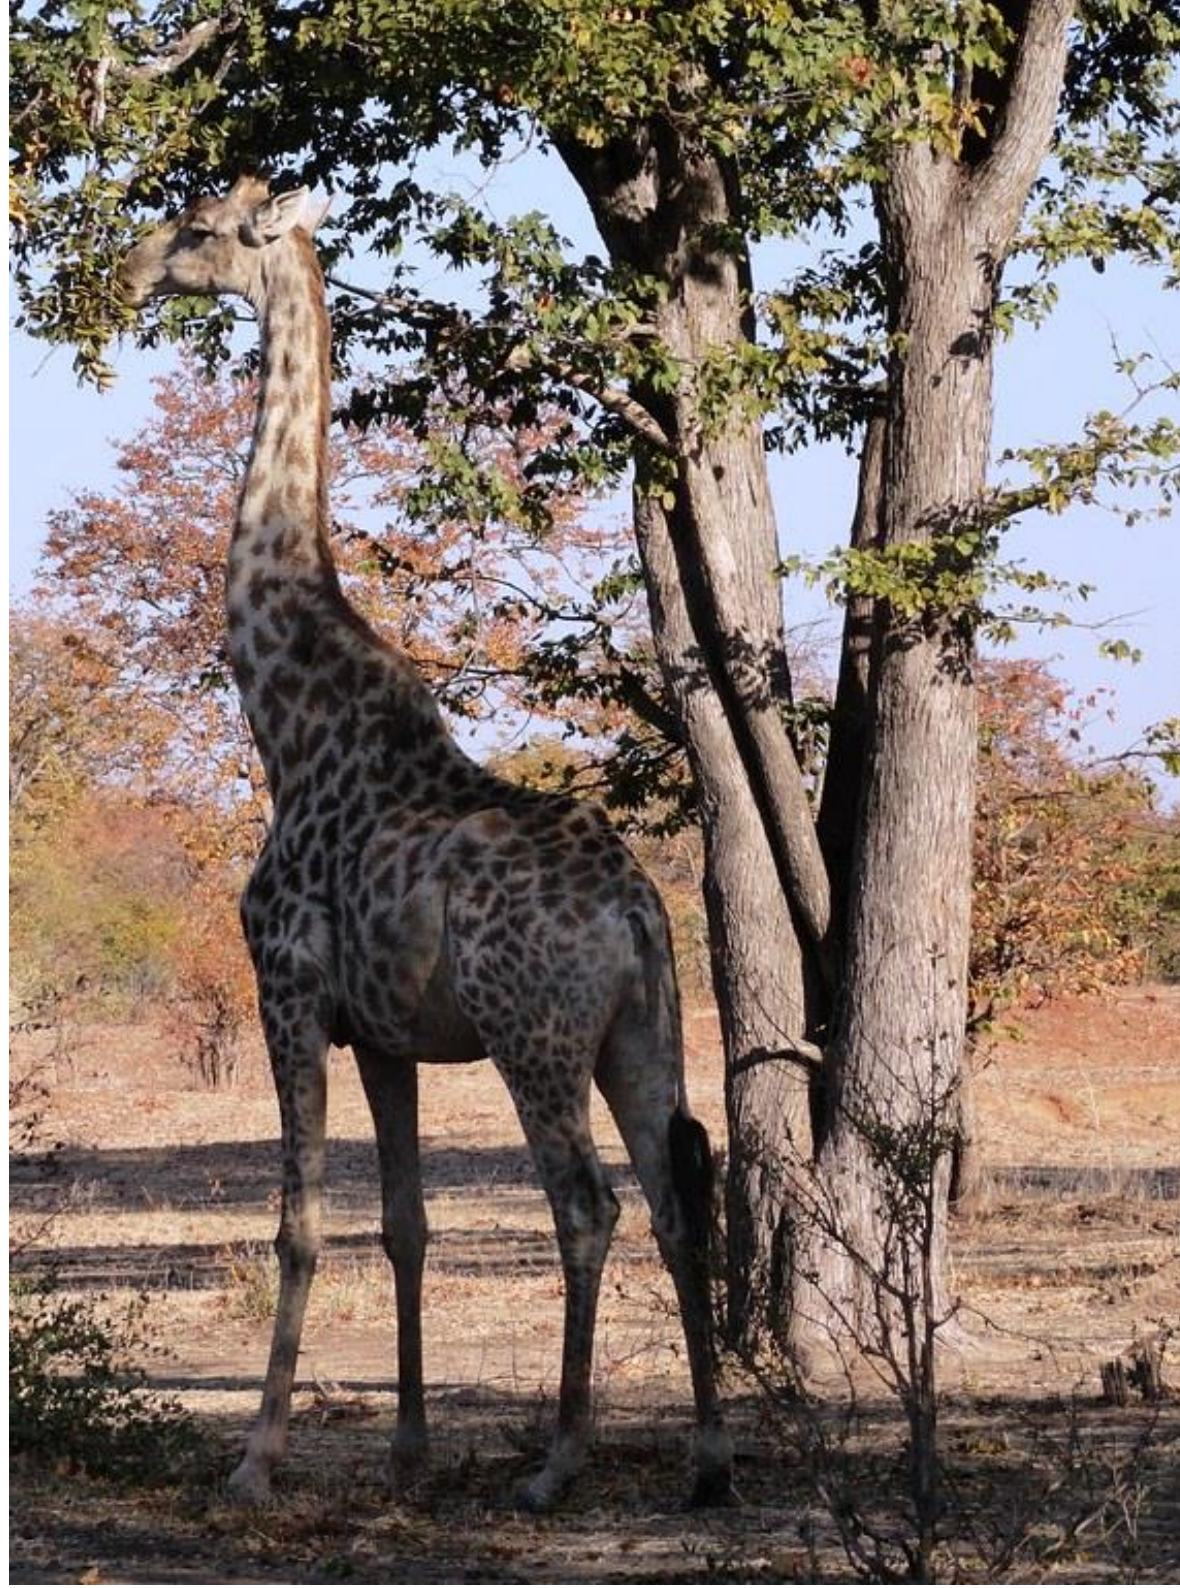

Game drives take place in the Mosi-Oa-Tunya National Park and common wildlife sightings include elephant, giraffe, buffalo, zebra, baboon, and the river residents, hippo and crocodile. Bird species in the park are also abundant. Your safari will be concluded with sundowners and canapés in a remote spot in the bush, admiring the magical African sunset.

DAY 2-3: MOSI-OA-TUNYA NATIONAL PARK

For the next two days of your Zambezi adventure you have a wide range of activities to choose from including a walking tour of the mighty Victoria Falls and a cultural experience visiting the local Nakatindi village. Locally, the Falls are known as Mosi-oa-Tunya ("the smoke that thunders"), and were introduced to Europe as the Victoria Falls by explorer David Livingstone.

Other activities to choose from include a two-hour canoeing excursion on the Zambezi River. As you paddle your way across the horizon, absorb the tranquility of the water as you view the landscapes of Zambia. For more wildlife encounters participate in a walking safari, game drive or a sundowner cruise on the Zambezi river. After cruising through grade 2 rapids and enjoying light sprays on your face, the boat will stop on the beach for a sundowner cocktail, in full view of the spectacular sunset.

After a long day of exploring, why not relax during a visit to the safari spa for some pampering treatments? In the evenings when you return to your safari lodge, freshen up before you make your way to the main lodge area to enjoy pre-dinner drinks at the raised bar area. Delicious meals will be served in the open air dining area, comforted by the warmth of a blazing campfire. Enjoy leisurely evenings outdoors in admiration of the canopy of stars, before returning to your luxurious tree-house.

DAY 4: LIVINGSTONE AIRPORT

Wake up to the sounds of an increasingly active bush life as you prepare for a final game drive safari in the Mosi-Oa-Tunya National Park. After breakfast bid farewell to the Zambezi River and photograph the spectacular landscapes one last time as you are transferred to Livingstone to meet your onward travel arrangements.

EXCELLENT AND EFFICIENT SERVICE

Falcon safaris have given me the correct advice with excellent service. The only suggestion will be to work closer with the lodges to confirm bookings as soon as possible. We have booked and pay our deposit a year in advance. We have only receive our final confirmation from Chobe Safari lodge a week before departure. I do realize it's not within your control but with limited alternatives and a group of 14 people it becomes an issue to find alternative accommodation if the booking was cancelled

WONDERFUL AFTERNOON WITH BEAUTIFUL CREATURES

I thoroughly enjoyed my afternoon with the elephants. I rode an 8 year old female, her name is not in my head, and it was magical. She loved her treats at the end of the ride and her trainer was a lovely man. We talked the whole hour and he taught me so much about these magical creatures.

Thank You for supporting this wonderful organization with your tour company.
