

4 DAYS THE

KRUGER BIG 5

THE START OF A LEGACY

Falcon Safaris is run by people who know the African continent intimately, who have lived there, and who know the people and Places. It is run by people who were born and raised in Africa and who continue to return year after year – not only to refresh their knowledge but predominantly because of the love and passion that they have for its areas.

Falcon Safaris is owned and managed by
Hamilton and Chenai Mandi.

4 Days The Kruger Big 5

Take a walk on the wild side and join us on one of our unique Kruger tours where you can view the Big 5 in comfort. On this 4 day tour you get the best of both worlds by spending some time in our custom designed adventure truck (excellent photo opportunities from a high vantage point) and the rest of the time in an open topped safari vehicle specifically designed for Kruger game viewing. Experience the thrill of being on safari, observing the big 5 as well as zebras, giraffe and rhinos and be inspired by an authentically African atmosphere in the largest game reserve in South Africa.

Kruger is larger than some small countries in Europe and is just less than two million hectares of conservation area. There will be early morning game walks, evening game drives and before returning back to Johannesburg, we will visit the Panorama Route and view Gods Window, Bourke's Luck Potholes and the Three Rondavels – all part of the World Heritage Blyde River Canyon. The Blyde River Canyon is the third largest canyon in the world. As you follow the winding path, you have to stop and stare in wonder at the astonishing panoramic views below, as the sheer edges of the cliff drop down 800m into the river below.
