ROUTE & ITINERARY

DAY 1: JOHANNESBURG - MAUN - OKAVANGO

Off-road game drives in the Okavango Delta. You will be met on arrival in Maun and you will fly in a light aircraft to your safari camp in the Okavango Delta, your home for the next 3 nights. The lodge is intimate with only 5 suites. You will have your own private deck with a star bath and sky bed, perfect for star-gazing under the African sky. You will arrive in time for lunch and settle in before the afternoon activity which may be a game drive or a mokoro ride to get an introduction into the area.

DAY 2: OKAVANGO

Walking with elephants in Botswana. You may choose to do the Elephant interaction this morning or head out early on another game drive. The safari camp is in the seasonal Delta, arguably the most beautiful part of this legendary wilderness and seeing it through the eyes of an Elephant is an unforgettable experience. It is not only about walking with these gentle creatures but learning the intimate side of their lives. For the afternoon activity you may choose a boat ride, a glide through the channels in a dugout canoe or opt for another game drive. Each moment in the Okavango is special but the late afternoon and early evening seems to release some ancient memories in us and we often celebrate the time with a sundowner in the bush.

Day 3 - 4: Okavango - Maun - Johannesburg

View of the Okavango Delta waterways from the sky. This morning there will be time for a last activity before breakfast and flying into Maun for your onward journey.

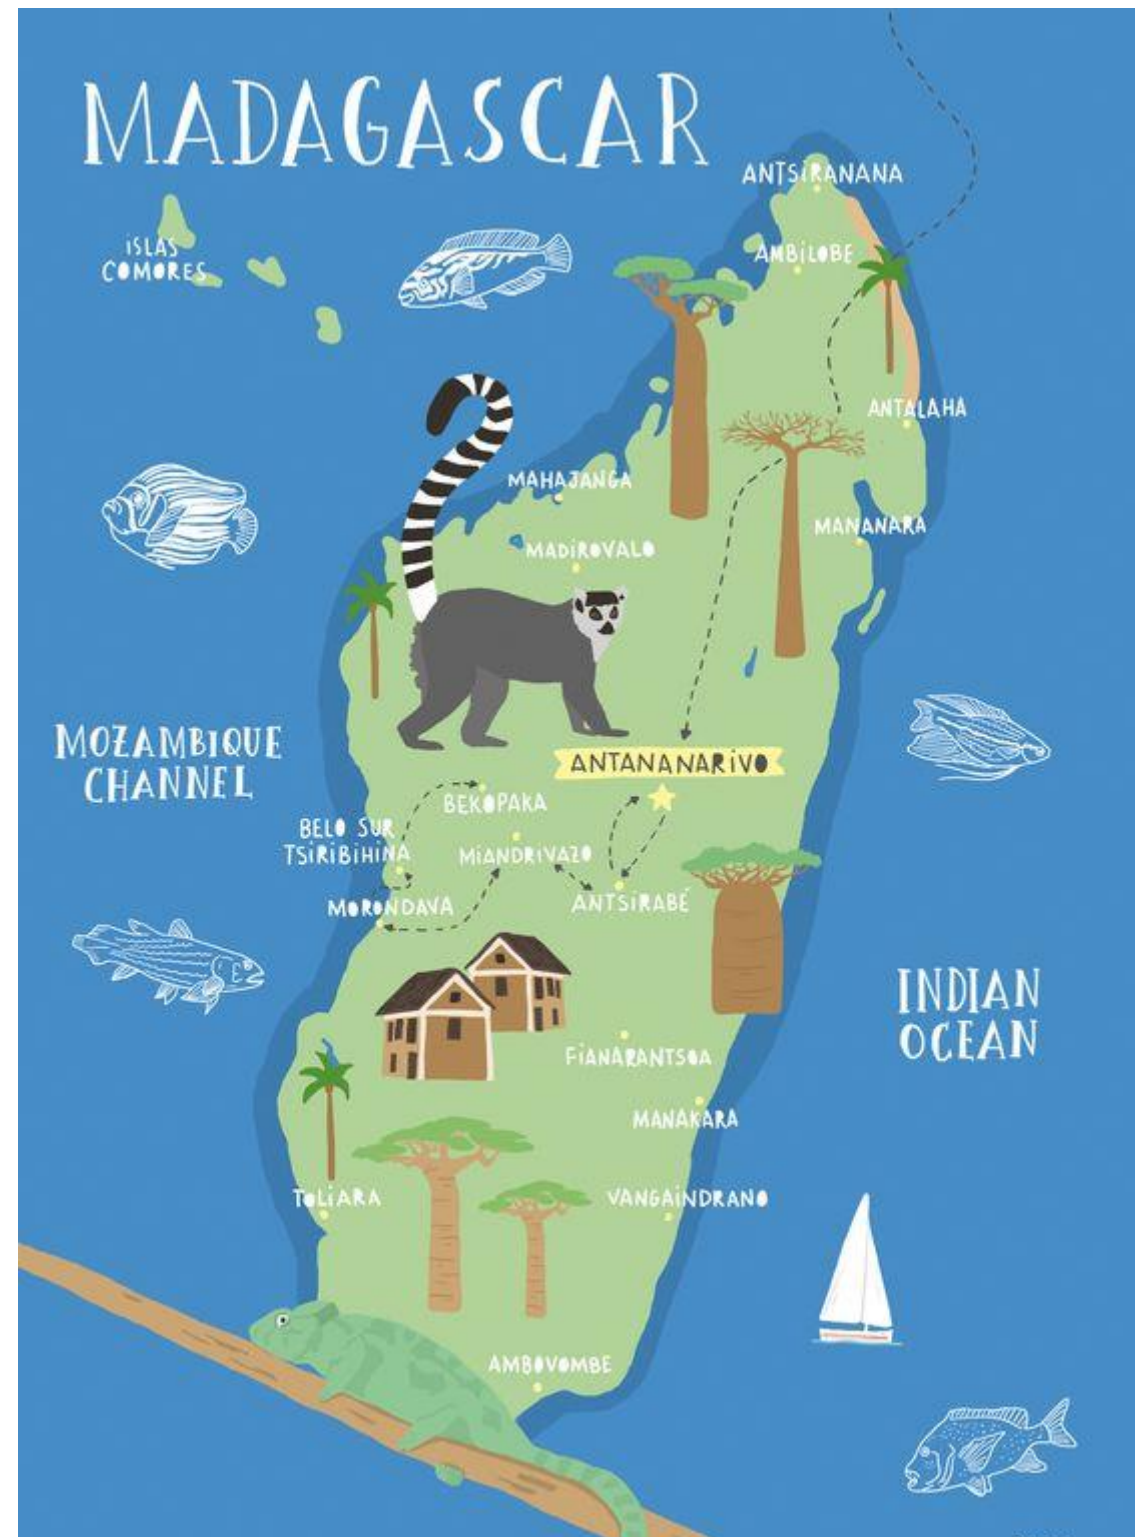

All water based activities are seasonal and are water level dependent and therefore cannot be guaranteed.

myself and my 22yr old daughter used Falcon
Safaris for all our outings as well as airport
transfers. Canoeing, Devils Pool visit and
Elephant back ride. They were all fantastic
especially Vimbai and Edna. We had an
amazing time and nothing was too much
trouble to sort out for us.
