## ROUTE & ITINERARY

### DAY 1-3: LIVINGSTONE - ZAMBEZI RIVER ISLANDS

Upon arrival in Livingstone at the Harry Mwanga Nkumbula International Airport, you will be welcomed by a lodge representative and taken on a road transfer to the middle of the Zambezi River for your stay at Islands of Siankaba. Walk across the Zambezi on wooden bridges that link the two islands together to form this Zambia lodge and stare into the direction of the distant Victoria Falls and Chobe National Park, situated on either side of the river. Nature walks alongside a trained guide will take you to places that would otherwise remain unseen. See the insects, plants and tiny bush creatures that roam the wilderness. Follow the winding river to a guided tour of the Victoria Falls where you will be exposed to the natural splendor of the majestic Falls as well as the interesting history behind the discovery thereof. Everlasting memories will be made with the free-falling water curtains as a background. Walk down to the banks of the river for a lunch picnic, in enjoyment of the resident island creatures that emerge from the waters. Spot the families of hippo frolicking in the water or watch the scaly crocodiles lazing in the sun as your experienced guide serves you a basket of culinary delights. Explore the water channels of the Zambezi from a traditional two-seater mokoro canoe as a helpful guide paddles you to up-close views of the fauna and flora of the river. Nothing is as synonymous to romance as a boat cruise on the Zambezi with the disappearing sun as a background. Snack on canapés and sip on sundowners as you cruise into a horizon blended colour in celebration of your love. Make unforgettable memories as you dine al fresco in the panoramic views from the terrace or in the secluded forest dining area, as the subtle lighting blends in with the shimmering night sky. Allow traditional Zambian healing techniques to pamper you during an optional couple's spa treatment in the private poolside spa area. From massages to body scrubs, your private treatment will take you and your partner on a joint trip of relaxation.

**EXCELLENT AND EFFICIENT  
SERVICE**

Falcon safaris have given me the correct advice with excellent service. The only suggestion will be to work closer with the lodges to confirm bookings as soon as possible. We have booked and pay our deposit a year in advance. We have only receive our final confirmation from Chobe Safari lodge a week before departure. I do realize its not within your control but with limited alternatives and a group of 14 people it becomes an issue to find alternative accommodation if the booking was cancelled

**WONDERFUL AFTERNOON WITH  
BEAUTIFUL CREATURES**

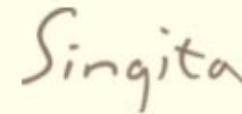

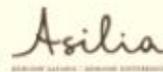

I thoroughly enjoyed my afternoon with the elephants. I rode an 8 year old female, her name is not in my head, and it was magical. She loved her treats at the end of the ride and her trainer was a lovely man. We talked the whole hour and he taught me so much about these magical creatures.

Thank You for supporting this wonderful organization with your tour company.
