ROUTE & ITINERARY

DAY 1: TRAVEL FROM JOHANNESBURG TO THE DELTA

Chiefs Camp Today you will head south into the heart of the Moremi Game Reserve in the Okavango Delta. Many refer to the area you will be spending the next 2 nights in as the predator capital of Africa, but the area is also a place of immense natural beauty. You will arrive in time for lunch and a swim before the afternoon game drive

DAY 2: OPEN FLOODPLAINS AND WOODLANDS

Safari at Chiefs Camp An early wake up call signals a day of unbelievable natural drama, which starts while you sip on your early morning coffee. The wildlife viewing is of the best on the continent, with surprises at every turn. This area of open floodplains and riverine woodlands provides the perfect habitat for a diversity of wildlife. Your game guide will enrich the experience before returning to the safari lodge for brunch. The afternoons may be enjoyed relaxing around the pool, having a treatment or just resting in the comfort of your room. Afternoon tea precedes the late drive where you will search for the animals that have eluded you so far. Mokoro trips (canoeing) may also be offered in season.

DAY 3: LIGHT AIRCRAFT FLIGHT FROM OKAVANGO TO CHOBE

Flying over Okavango After breakfast a light aircraft flight will take you from the Delta to Kasane. From there a short scenic road transfer takes you to your safari lodge which is perched high above the floodplains of the Chobe River. The view from the lodge is endless and you will enjoy your first meal before heading out on an afternoon activity to take in the drama of the Chobe River ecosystem.

DAY 4: THRILLING GAME VIEWING IN CHOBE

Game drive in Chobe The activities start early today as you head out to explore the wilderness and its wildlife. The guides are exceptional and will add a great deal to your Safari. The Chobe River has highlights throughout the year with Africa's greatest Elephant concentrations during the dry season from June to October and some of the best birding in Africa during the wet season. You may choose to relax during the heat of the day, opt for a treatment in the exceptional wellness spa or head out on a motorboat to explore the Chobe River. Many animals come down to drink during the hot hours of the day and viewing these from a boat is a unique experience.
