HIGHLIGHTS FLY-IN SAFARI

THE START OF A LEGACY

Falcon Safaris is run by people who know the African continent intimately, who have lived there, and who know the people and Places. It is run by people who were born and raised in Africa and who continue to return year after year – not only to refresh their knowledge but predominantly because of the love and passion that they have for its areas.

Falcon Safaris is owned and managed by
Hamilton and ChenaiMandi.

7 Day Namibia Highlights Fly--In Safari

Your trip is literally a lasso shaped chunk of North West Namibia, encompassing vast sand dunes, a punishing desert and the desolate coastline of the Skeleton Coast. Taking to the skies you'll have a sense of enormity. Plus you'll get a healthy dose of wildlife thrown in. You'll wander through one of Earth's last remaining wilderness areas, perhaps running into a herd of desert-adapted elephant before finishing your trip in Etosha. This great park has floodlit waterholes and is home to 114 species.
