ROUTE & ITINERARY

DAY 1: FLY TO NXAI PAN NATIONAL PARK

Light aircraft transfer into the Botswana bush. On the first morning of your Botswana Wildlife Safari, you will catch a flight from Johannesburg to Maun in Botswana. Then catch a light aircraft flight from Maun to an airstrip in the Nxai National Park.

The air transfer arrives in time for lunch and you will have time to settle in before going on a game drive to explore the surrounding area. See the amazing desert wildlife such as gemsbok, springbok, and Kalahari lions, which have adapted to life in this harsh environment. The Nxai Park National Park's biggest draw is the migration of thousands of zebras. Stop off in a scenic spot for refreshing sundowners before returning to the lodge for a sumptuous dinner under the stars.

DAY 2: DISCOVER THE KALAHARI SALT PANS

Abundant wildlife sightings in the Nxai Pan National Park. In the morning, there will be an early morning wake-up call, followed by breakfast before heading out on your morning game viewing activity.

This may be a game drive or a walk with a local San bushmen who will tell you about their culture and show you how they have survived in this harsh environment for thousands of years.

In the evening learn about the stars and African mythology associated with the heavens.

DAY 3: FLY INTO THE OKAVANGO DELTA

Mokoro canoe excursion in the Okavango Delta. After one last game drive in the Nxai National Park have a delicious breakfast before catching a light aircraft flight to the Okavango Delta.

DAYS 4 - 5: EXPLORE THE OKAVANGO DELTA WATERWAY

Off-road game drive at Kwara Camp in the Okavango Delta. In the morning explore deeper into the Delta by motorboat or learn about the ecology of the region while on an island walk - a great way to see the island's birdlife. These activities are conducted in an open safari vehicle and are led by experienced guides. In the afternoon head out on a game drive to see the region's abundant wildlife such as wildebeest, reedbuck, and predators such as lions, cheetah, and if you are lucky a glimpse of the endangered wild dogs.

These game drives may extend into the evening after sundowners so that you can see the area's nocturnal animals.

DAYS 5 - 6: AMAZING GAME VIEWING

After settling into camp there will be a game viewing activity - either a game drive or boating excursion along the Kwando River

The next two days will be spent exploring the area in the company of an experienced guide. In this region of the Okavango Delta, you can see giraffes, kudu, elephants, and buffalo.

During the winter months, large herds of elephants and zebra pass through. You will also go on boating trips and see fantastic birdlife, hippo, and crocodile.
