There will be time for an afternoon activity, experiencing the wildlife of the Chobe on a game drive or romantic boat cruise. You return to your safari lodge for cocktails before a candlelit dinner with the sounds of the African night serenading you.

DAY 2: SPOT WILDLIFE AS YOU CRUISE ALONG THE CHOBE RIVER

Game drive in the Chobe National Park. The lodge is outside the National Park and it will be an early start this morning. Today you will explore the Chobe National Park, famous for its large herds of Elephants, on game drives and romantic boat cruises or you may choose to do some fishing for the legendary Tiger fish. You could also decide on a morning activity to the Victoria Falls, which is a short drive across the border. During the heat of the day, a cruise out on the river for a spot of fishing and just being in nature is the perfect siesta time. The afternoon activity will be the best time for a boat cruise leading into a sunset cruise, to experience the magic of the Chobe River. The birdlife in the area is exceptional even for those who have never been interested in birds before.

DAY 3: FLY OVER THE OKAVANGO

Land directly in the African bush with a light aircraft flight. Today you will fly over the vast interior of the Northern Botswana wilderness as you head to your bush camp deep in the Okavango Delta where you spend the next 2 nights. There will be time for an afternoon activity exploring this unique wetland. Activities here are water-based and include boat cruises, mokoro safaris (guided canoeing) and walks on the islands.

DAY 4: EXPLORE THE OKAVANGO DELTA WATERWAYS

See elephants during a mokoro canoe excursion in Okavango Delta. Today you may choose to do a full day outing which includes a mokoro ride, walking and enjoying a picnic on the islands, or you may want a morning activity and some time to rest up in the heat of the day. The afternoon activity will take you out into the heart of the Delta once more where your guide will share this unique place with you. There is no better way for a romantic interlude in Africa than on a dugout canoe with your loved one, enjoying the wonders of this pristine area.

DAY 5: EMBARK ON A NIGHT GAME DRIVE

Thrilling game drive at Pom Pom Camp in the Okavango Delta. Another light aircraft flight takes you to your next stop on your Botswana honeymoon safari. In the late afternoon embark on a guided game drive that lasts until after dark allowing you a glimpse into the nocturnal life of the Okavango Delta. You cross beautiful floodplains and pass intimate islands where you may stop off en-route to enjoy a drink at sunset. You will be spending the next 2 nights here, enjoying the extraordinary peace of this unbelievable place.

DAY 6: GET CLOSE TO NATURE

Guides walking safaris in the Moremi Game Reserve. Great experience

myself and my 22yr old daughter used Falcon
Safaris for all our outings as well as airport
transfers. Canoeing, Devils Pool visit and
Elephant back ride. They were all fantastic
especially Vimbai and Edna. We had an
amazing time and nothing was too much
trouble to sort out for us.
