

8 DAY NAMIBIA

DESERT, DUNE CLASSIC

THE START OF A LEGACY

Falcon Safaris is run by people who know the African continent intimately, who have lived there, and who know the people and Places. It is run by people who were born and raised in Africa and who continue to return year after year – not only to refresh their knowledge but predominantly because of the love and passion that they have for its areas.

Falcon Safaris is owned and managed by
Hamilton and ChenaiMandi.

8 DAY Namibia Desert, Dune Classic

Your Namibia safari will begin by heading to the Namib Desert; a great sand sea in Sossusvlei. The only true African desert south of the equator. Then you'll fly high along the Skeleton Coast to Swakopmund, a town which seems to have landed here. Incongruous in its setting, an isolated coastal town. Next stop, the gemstone beaches of Mowe Bay before you have a complete change of gear: its Etosha time. Wildlife and game viewing galore. Grab your khakis, camera and binoculars.

- ✓ *Dry riverbeds, shipwrecks and desolate beaches on the Skeleton Coast*
- ✓ *A big game safari in Etosha National Park. Watch the animals come and go at the waterholes on a dry pan*
