GOLF SAFARI

THE START OF A LEGACY

Falcon Safaris is run by people who know the African continent intimately, who have lived there, and who know the people and Places. It is run by people who were born and raised in Africa and who continue to return year after year – not only to refresh their knowledge but predominantly because of the love and passion that they have for its areas.

Falcon Safaris is owned and managed by
Hamilton and Chenai Mandi.

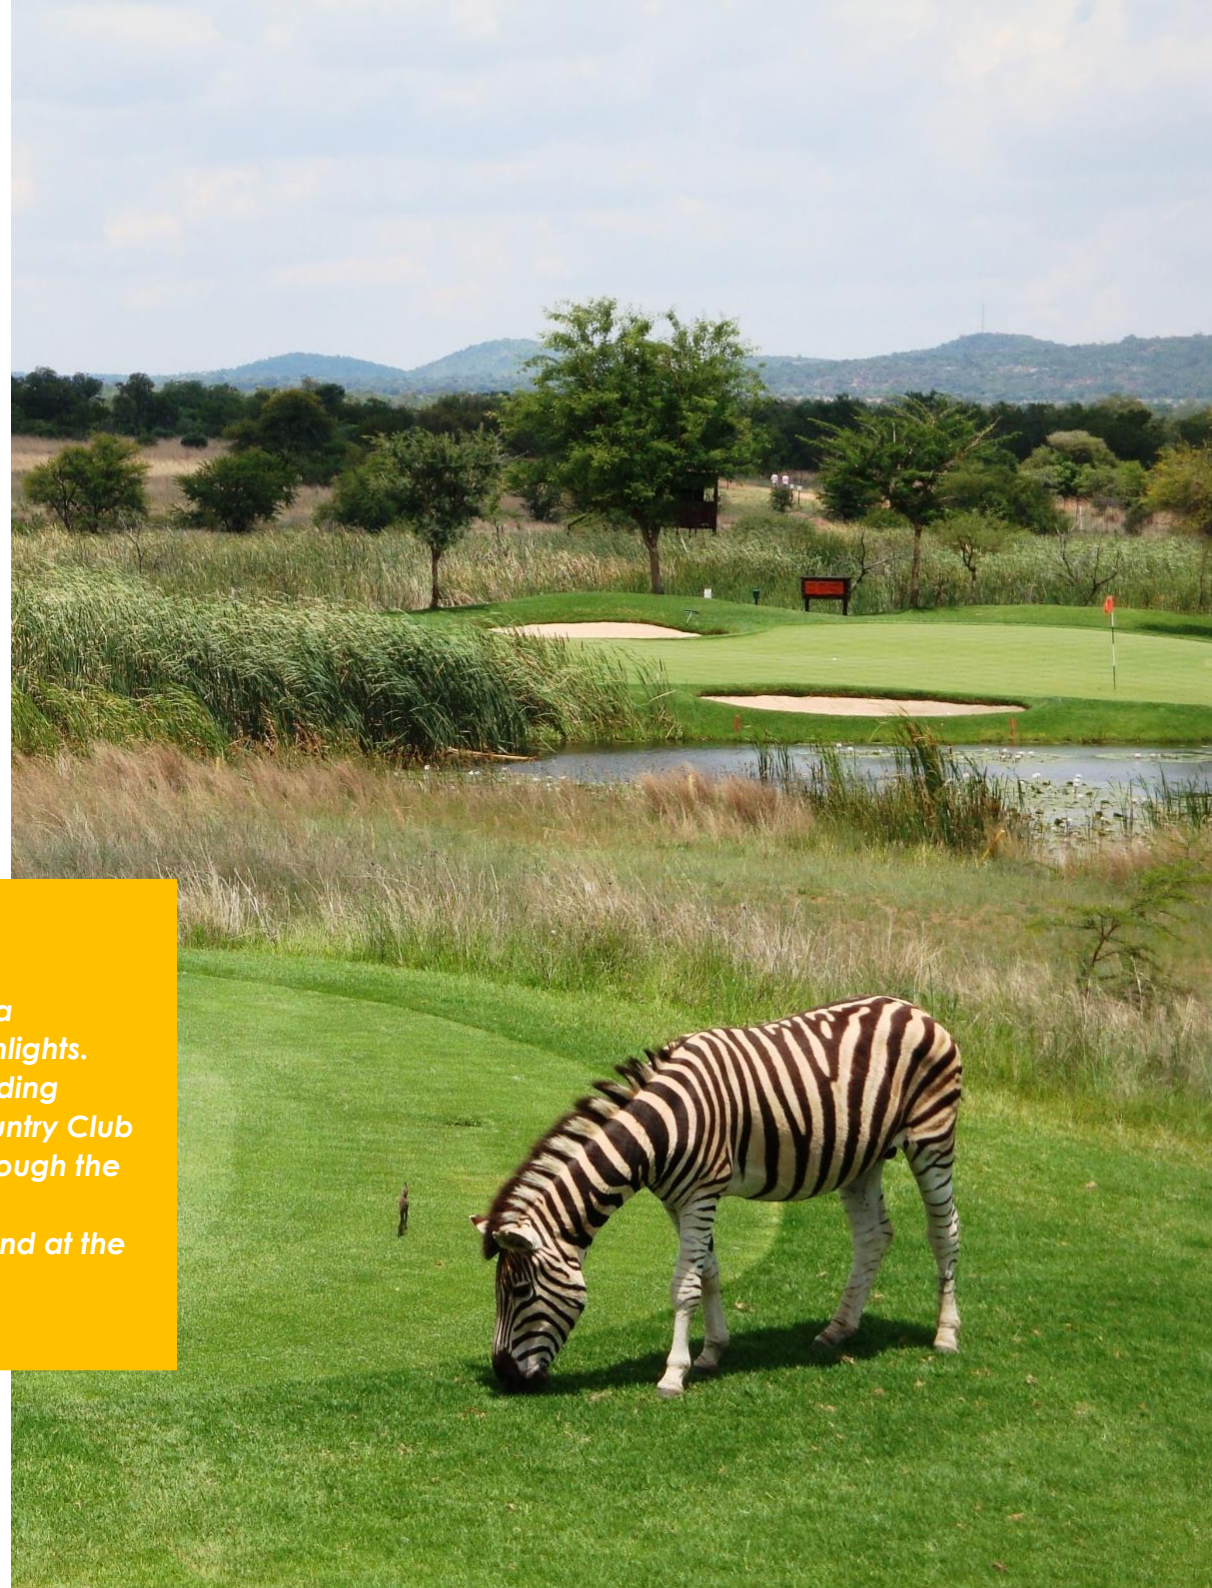

3 Day Golf Safari

This safari travels the north eastern reaches of South Africa and will entertain the most discerning golfers with a delightful itinerary for non-playing guests.
