WALK WITH LIONS

THE START OF A LEGACY

Falcon Safaris is run by people who know the African continent intimately, who have lived there, and who know the people and Places. It is run by people who were born and raised in Africa and who continue to return year after year – not only to refresh their knowledge but predominantly because of the love and passion that they have for its areas.

Falcon Safaris is owned and managed by
Hamilton and Chenai Mandi.

Great experience

myself and my 22yr old daughter used Falcon
Safaris for all our outings as well as airport
transfers. Canoeing, Devils Pool visit and
Elephant back ride. They were all fantastic
especially Vimbai and Edna. We had an
amazing time and nothing was too much
trouble to sort out for us.
